

REQUIREMENTS FOR ECRN RENEWAL

- A. Pass a "Standing Medical Orders" exam with a minimum score of 80% every time the System updates the SMO's (usually once every other May).
- B. Provide documentation of current CPR certification.
- C. Complete 32 hours of prehospital focused continuing education: Upon submission of your CE, the System will review for relevance to prehospital focus.

CE Hours may include:

1. ACLS, PHTLS, BTLS, PALS, PEPP, and AMLS Courses
 2. Disaster drill participation (moulage, evaluator, etc.)
 3. Hazmat or disaster training course
 4. EMT or Paramedic Course Instructor
 5. Seminars/lectures with prehospital focus
 6. ALS Field Ride Time (one 8-hour shift accepted)
- D. Attendance at mandatory continuing education sessions may be periodically required (i.e. SMO or policy revisions, etc.),
 - E. Approximately 60 days prior to your relicensure, IDPH will mail a "Renewal Notice/Child Support Statement" form directly to your home. Complete and submit this original or a copy of this form to the EMS System Office with your other CE/renewal requirements. Make sure your address is listed correctly. A blank form may be printed from our website at www.willgrundyems.org.
 - F. The ECRN must provide documentation of renewal requirements at least 30 days prior to their ECRN expiration date. Upon receipt of this documentation, the EMS Department will process an IDPH transaction card and forward it to IDPH for further processing.

Summary of Renewal Requirements:

- 32 Hours of Prehospital based CE
- Current CPR card
- SMO Update Exam
- IDPH Renewal Notice/Child Support Statement
